15 November 2017

Welcome to all High School parents and learners,

We are in the process of ordering the High School Textbooks for 2018. We have outsourced all textbook orders to an outside company who will arrange all the textbooks required for the High School classes. The ordering of textbooks is as follows:

Each learner's school fee account will include the relevant amount (*as indicated below*) for textbooks. Payments must be made as soon as possible, please indicate that the payment is for textbooks.

The textbooks will be delivered to the school and will be issued to learners once payment has been received.

We are doing this for the following reasons:

- To save you, as the parent, time and money.
- To ensure that your child will have his/her textbooks on the day the school starts in 2018.
- To make sure that the textbooks are available to the learners.

The textbook prices for 2018 are as follows:

**Grade 8 = R1 860.00**

**Grade 9 = R2 070.00**

**Grade 10 = R2 210.00**

**Grade 11 = R2 300.00**

**Grade 12 = R2 400.00**

Please also find the stationery requirements for 2018.

Thank you for your continued support and may you have a wonderful festive season.

Kind regards,

**Mr L. Buitendag**  
**High School Principal**
